Ridge Utilities, Inc.: Leak Repair Policy

Ridge Utilities Inc. is responsible for all repairs to leaks in water lines up to and including the connection of our water meter to the homeowner's water line. All water leaks beyond this connection are the responsibility of the homeowner. There will be no exceptions to this policy. The employees of Ridge Utilities/BRPOA including the general manager do not have the authority to make exceptions. This leak repair policy will remain effective until the Ridge Utilities board of directors, at a scheduled meeting, votes to change this policy.
